1. On 26 September 1951 the Comite Civico Universitario Anti-communista (CCUA) was established with the objective of fighting against the infiltration of Communism into the lecture halls of the University.
2. The various anti-Communist groups in Guatemala City, in conjunction with the Partido Unificacion Anti-communista, are continuing to plan the holding of a huge anti-Communist demonstration, scheduled to take place toward the end of October 1951, or after the projected Congreso Obrero de la Unidad Sindical. It is said that the labor leaders also plan a mass demonstration in support of the Government of Colonel Jacobo Arbenz and his Government program.
